Why don't you say which of the bylaws are
objectionable? ~~The better~~ There is no
connection between the unworkability
of the bylaws and the adoption of the existing
bylaws. The two are different ideas, and should
have been separately dealt with. Revise
draft and re-prepare case & proceed.

M. P. A. D.

Nanyangud Town Municipal Council
 Bye-laws, regulating buildings
 and other structures in the town of
 Nanyangud under section 48 (1) (P)
 and sanctioned in Government order
 No

I Every person intending to
 erect or re-erect any building within
 the meaning of sections 92 to 96 of the
 Mysore Municipal Regulation in the
 town of Nanyangud, shall give
 notice in writing of his intention to the
 President or the Vice-President

Such notice shall be accom-
 -panied with a site plan of the land,
 on which the structure proposed to be
 built, drawn to a scale of not less
 than 10 feet to an inch showing —

(a) The position of the building and appurtenant outbuildings to be erected on the land,

(b) The area to be occupied by the building and outbuildings on the land

(c) The names (if any) or description of adjacent roads, streets, bridges, culverts or buildings etc and,

(d) The number of the lot and the name or number of the block and street or road in which the land is situated

II The plan required to be produced under section 96 of the Mysore, Municipal Regulation shall be in duplicate

It shall show in sections and elevations the plan of the ground floor and of each other floor, if any, the depth and thickness of the foundation,

The height and thickness of the plinth and walls, above the plinth, the thickness of the floor or floors, and the dimensions and structure of the roof

The aforesaid plan shall further show the position of the line or frontage of the proposed building with reference to the adjacent side drains of the street or road, which the building faces or if there be no such side drain, with reference to the central drain of the street or road

III The license and the plan will always be available on the spot for inspection by the municipal authorities

Provided, that in the case of buildings of which the value will be less than Rs 500/- it shall be sufficient for the site plan to show to the satisfaction

of the Vice-President, without scale the size of the proposed building and its position on the land together with the position of the land, with reference to adjacent buildings or lands

IV No foundation of a new building intended for human occupation shall be constructed on a site which has been filled up with or used as a place for depositing excrementitious matter, or the carcasses of dead animals or other filthy or offensive matter until such matter shall have been properly removed to the satisfaction of the President or shall in his opinion have become innocuous

V No shop or market place, manufactory, place of public resort etc, should be built in the midst

of localities intended for residential purposes, unless, specially authorized by the Municipal Council

VI No pits shall be excavated in the sites allotted for building dwelling houses

VII No building site shall be surrounded by a hedge oflantana aloe, prickly pear or other objectional plant, or by a fence of barbed iron-wire

VIII. No new building shall be erected by any person, the foundation of the wall of which along the road is less than $1\frac{1}{2}$ feet from the side drain

IX The level of the plinth of any building shall not be below such level as may be fixed by the

Vice-President

X The eaves of the buildings, sun-shades to windows water spouts to drain-roof water shall not project beyond the side street drain ad-joining the house and the spouts shall be led down to the ground

XI The steps to get up the plinth from the road shall not project beyond the outer edge of the side-drain of the road

XII No sunshades for shops either temporary or permanent, shall be erected beyond the outer edge of the side drain of the road

XIII No person shall construct over a privy, whether new or old any room or structure of any description, other than another privy or a bathing place or bath-room

XIV If any person has any doubt or difficulty, as to the true intent or meaning of any matter connected with these rules or the requirements thereof, he may, before giving notice in writing of his intention to erect or re-erect any building, apply to the Vice-President who shall, upon receipt of such application give the said person within a week such information as in the circumstances may be necessary.
